ATU Greenhouse Gas Management Policy

As ATU Antalya Mağaza İşletmeciliği A.Ş., we consider combating climate change, effectively managing our greenhouse gas emissions, reducing our environmental impacts and using resources efficiently to be fundamental elements of our sustainable business approach in our duty-free retail operations at Antalya Airport.
Within this framework, we commit to the following:

- To define the organizational and operational boundaries of greenhouse gas emissions arising from activities carried out and equipment used under our control at the airport;
- To prepare an annual greenhouse gas inventory for consecutive 12-month periods, covering direct emissions from sources under our control (Scope 1) and indirect emissions from purchased electricity, heating and cooling (Scope 2);
- To ensure the reliability, consistency and traceability of activity data used in emissions calculations; to use appropriate, up-to-date and traceable calculation factors; and to implement documented quality assurance procedures for measuring equipment used to determine activity data;
- To comply with applicable environmental and climate legislation, other obligations to which we are subject, and the principles of our company's Environmental Policy;
- To use energy and water resources efficiently, take measures to prevent refrigerant leaks, reduce food waste and waste generation, and promote recycling and recovery practices;
- To provide the responsibilities, competencies and resources necessary for effective greenhouse gas management; to raise employee awareness and cooperate with relevant stakeholders;
- To reduce greenhouse gas emissions intensity calculated from Scope 1 and Scope 2 emissions associated with our airport operations by at least 5% by the end of 2030, compared with the 2025 base year; to monitor progress towards this target annually and update reduction activities where necessary;
- To regularly review and continually improve our greenhouse gas management performance and keep this policy publicly accessible

We hereby declare and undertake these commitments.
